About our author: [Jon Burdekin](#) is a long-standing expert in this field, having worked for major leasing companies such as Alphabet GB Ltd and GE Capital Fleet Services. During his 15-year career with Alphabet, Jon held roles such as head of consulting services and head of product management. He also led the consultancy division, adding key value differentiation and driving technical innovation.

Jon has extensive knowledge in all aspects of fleet management and is a subject matter expert in the adoption of electric vehicles into company fleets. He also has deep expertise in the compliance risks associated with selling electric vehicles poorly.
